

EZ-GARN

Eliminating the need for manual calculations

EZ-GARN reduces the amount of time spent calculating garnishments for employees. There is no longer the necessity to look up any information, it's all in EZ-Garn. This significantly reduces the amount of time spent processing payroll!

EZ-Garn will save you time by:

- ◆ Prioritizing garnishments by state rules and regulations
- ◆ Calculating disposable income by state rules and regulations
- ◆ Applying your state's applicable maximum allowable deduction
- ◆ Applying the appropriate state rules if the employee does not have enough earnings
- ◆ Making the proper deductions based on state rules and regulations
- ◆ Importing information into Abra payroll
- ◆ Tracking and reconciling garnishment transactions
- ◆ Maintaining a list of payee destinations and historical payment information

EZ-Garn makes garnishments easy by:

- ◆ Automatically creating a garnishment output file according to federal guidelines
- ◆ Eliminating the need for manual calculations
- ◆ Producing comprehensive reports to show all current and year-to-date garnishment information
- ◆ Integrating completely into Abra Payroll
