

EZ-Positive Pay

Stop Fake Checks Before They Cross The Teller Window

Fraudulent check activity is a fact of life and hoping that it does not happen to you is not enough protection against what can evolve into a very serious problem. Tracking down forged check numbers can be costly and take up valuable time. EZ-Positive Pay electronically sends a list of all issued checks to your bank to confirm their validity.

EZ-Positive Pay Features:

- ◆ The ability to customize the output file to correspond with your bank's specifications
- ◆ Each check is verified against your list to confirm legitimacy
- ◆ Thorough reporting capabilities
- ◆ Helps you to reconcile your accounts and avoid issuing checks in error

How can I prevent fraudulent check writing activity ?

EZ-Positive Pay provides the solution by:

- ◆ Automatically creating an output file listing all valid checks for payment
- ◆ Allowing you to customize the file according to your bank's specifications
- ◆ Producing a comprehensive report to show all valid check information
- ◆ Integrating completely into Abra Payroll

Our Mission

"Help companies to ensure human resource and payroll excellence by providing them with high-quality products and services that perform beyond their expectations"
